

July 1, 2016

Dear Employee,

Enclosed is a Notice entitled "New Health Insurance Marketplace Coverage Options and Your Health Coverage." The health care reform law known as the Affordable Care Act ("ACA") requires that employers provide this Notice to all new employees within 14 days of hire. The Notice provides information about the new Health Insurance Marketplace ("Marketplace"), as well as information regarding the health coverage offered by the State of Delaware ("the State").

The ACA is requiring that these Notices be provided as most people are required to have health insurance; if not, they will pay a tax penalty. This is known as the "individual mandate." Your health insurance coverage can come from your (or your spouse's) employment, through a policy you buy on the Marketplace, or through a government-sponsored program like Medicare or Medicaid.

As a full time employee, you are eligible to participate in the State's Group Health Insurance Program ("the Plan"), and therefore do not need to shop for different or additional insurance through the Marketplace. The State's coverage meets the individual mandate standard, and is expected to be a better value than Marketplace coverage.

Here is how the Plan measures up under ACA criteria for determining whether a plan's coverage is adequate and affordable for its participants:

- In general, coverage is considered "minimum value" under ACA if the benefits the plan provides cover at least 60% of eligible expenses. The Plan's medical plans meet the ACA minimum value standard.
- In general, coverage is considered "affordable" under the ACA if the premium cost for participant-only coverage is not more than 9.66% of your household income. (This percentage is for plan years beginning in 2016). For example, if your household income (including your wages) is \$40,000, your coverage would be considered affordable if your employee-only coverage does not cost you more than \$3,800 a year. The Plan's coverage is designed to be affordable.

The Notice mentions that you may be eligible for federal premium subsidies if you purchase coverage on the Marketplace, and that, if you do purchase a Marketplace plan, you may lose your employer contribution (if any) to the plan. Because the Plan meets the minimum value standard, you and your eligible family members would <u>not</u> qualify for a premium assistance tax credit to buy coverage through the Marketplace (if otherwise eligible based on your income and other factors) unless the Plan's required contribution for self-only coverage made the coverage unaffordable.

Dear Employee,

The Notice provides information about the new Health Insurance Marketplace ("Marketplace"), as well as information regarding the health coverage offered by the State of Delaware ("the State").

Your health insurance coverage can come from your (or your spouse's) employment, through a policy you buy on the Marketplace, or through a government-sponsored program like Medicare or Medicaid.

As a part time employee, you are eligible to participate in the State's Group Health Insurance Program ("the Plan"). The Plan meets the individual mandate standard.

Here is how the Plan measures up under ACA criteria for determining whether a plan's coverage is adequate and affordable for its participants:

- In general, coverage is considered "minimum value" under ACA if the benefits the plan provides cover at least 60% of eligible expenses. The Plan's medical plans meet the ACA minimum value standard.
- In general, coverage is considered "affordable" under the ACA if the premium cost for participant-only coverage is not more than 9.66% of your household income. (This percentage is for plan years beginning in 2016). For example, if your household income (including your wages) is \$20,000, your coverage would be considered affordable if your employee-only coverage does not cost you more than \$1,900 a year. Depending upon your income, the Plan's coverage may not meet the affordability standard.

The Notice mentions that you may be eligible for federal premium subsidies if you purchase coverage on the Marketplace, and that, if you do purchase a Marketplace plan, you may lose your employer contribution (if any) to the plan. Because the Plan meets the minimum value standard, you and your eligible family members would <u>not</u> qualify for a premium assistance tax credit to buy coverage through the Marketplace (if otherwise eligible based on your income and other factors) <u>unless</u> the Plan's required contribution for self-only coverage made the coverage unaffordable.

#### New Health Insurance Marketplace Coverage Options and Your Health Coverage

#### **PART A: General Information**

Key parts of the health care law are effective in 2014 and there is a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description, contact the Statewide Benefits Office at 1-800-489-8933 or go to the Statewide Benefits Office's website at <u>www.ben.omb.delaware.gov</u>.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit <u>HealthCare.gov</u> for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
   □ All employees.
   ☑ Some employees. Eligible employees are: All full-time, part-time, and limited term employees who meet the requirements for eligibility.
- With respect to dependents:
   ☑ We do offer coverage. Eligible dependents are: Spouses and dependent children (to age 26) who meet the requirements for eligibility.
   □ We do not offer coverage.
- If checked, this coverage meets the minimum value standard. However, the cost of this coverage may not meet the affordability standard, based on employee wages.
  - \*\* You may be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

By my signature below, I hereby certify that the benefit elections I have made on this form are the benefit elections I have chosen, and that I have completed the required forms necessary to enroll. I understand that by completing and signing the required forms, I am making a binding election with regard to my benefits for the current plan year unless I have a permissible status change as defined by the Internal Revenue Service or I terminate my employment with the State of Delaware. I understand and agree my regular pay will be reduced by the amount of my required contribution for the benefit options I have elected. I understand if employment ends I am eligible to continue District Life Insurance by contacting the insurance carrier within 30 days of termination date for conversion to an individual coverage.

## **NOTICE OF SPECIAL ENROLLMENT RIGHTS**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health coverage, you may in the future be able to enroll yourself and your dependents in this plan if you or your dependents lost eligibility for that other coverage (or if the employer stops contributing towards you or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a change of employment status, new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

<u>Note</u>: A federal law called HIPAA requires the State of Delaware Group Health Plan (the "Plan") provide a Certificate of Creditable Coverage (a "Certificate") to each individual who requests one so long as it is requested while the individual is covered under the Plan or within 24 months after the individual's coverage under the Plan ends. The Procedure to Request a Certificate of Creditable Coverage is available by contacting your Benefits Office.

<u>State/District Policy</u>: I understand after this date, I <u>will not</u> be able to make changes to any State and/or District Benefit Plans (Health, Dental, Vision, Life or Disability) for the remainder of the enrollment period unless I experience one of the following "Qualifying Events":

- Change in employment status (1/2 time to full time, full time to ½ time, teacher to administrator)
- Change in Marital Status or Dependent Status (birth/adoption)
- Spouse's loss of coverage

I understand that it is my responsibility to notify the Benefits Office within 30 days of a "qualifying event" to make changes to my Benefit Plans. Failure to notify the Benefits Office within 30 days of the "Qualifying event" will result in waiting until the next Annual Open Enrollment Period to make changes.

## CERTIFICATION OF TAX DEPENDENT STATUS FOR A CIVIL UNION SPOUSE/CHILDREN

O WALTANT		
·	State of	Delaware

This form must be completed and signed by the employee when enrolling a civil union spouse and/or the civil union spouse's children in the State of Delaware Group Health Insurance Program.

#### Employee Name: \_\_\_\_\_\_

Employee ID:

For a civil union spouse and children of a civil union spouse to be a dependent for health plan purposes, certain requirements in Internal Revenue Code ("IRC") § 152 (as modified by IRC §105(b)) must be satisfied. The civil union spouse and children of the civil union spouse must, in general:

- 1. Receive at least one half of his/her support from you;
- 2. Live with you in the same principal place of abode as part of your household;
- 3. Not be claimed as a "qualifying child" dependent under IRC § 152(c) by anyone else (generally, a qualifying child is a dependent under age 19, age 24 if a full-time student, that meets certain requirements);
- 4. Be a U.S. citizen, a U.S. national, or a resident of the U.S., Canada or Mexico at some time during the year in which you are claiming him/her as a dependent; and,
- 5. Not file a joint federal income tax return (other than only a claim of refund) with the individual's spouse (applicable to children of civil union spouse).

If you select "Is a tax-qualified dependent," you are certifying the named person is a dependent described in IRC §152 (as modified by IRC §105(b)).

If you select "Is not a tax-qualified dependent," you are certifying (1) the named person is not a dependent described in IRC §152 (as modified by IRC §105(b)) and (2) you understand federal tax law requires the fair market value of the coverage extended to the named person to be imputed to you as income on your paycheck and must be reflected on the W-2 issued to you by the State of Delaware.

# Notify your Human Resources/Benefits Office in writing immediately of any changes in the named person's tax status and complete this form to provide change in status.

	Name	Date of Birth	Tax Dependent Status
Civil Union Spouse:			□ Is a tax-qualified dependent
		/	□ Is not a tax-qualified dependent
Civil Union Spouse's			Is a tax-qualified dependent
Children:		1 1	□ Is not a tax-qualified dependent

		//	□ Is not a tax-qualified dependent
			Is a tax-qualified dependent
		1 1	Is not a tax-qualified dependent
			□ Is a tax-qualified dependent
		<u> </u>	□ Is not a tax-qualified dependent

I understand federal income tax dependent status is separate from eligibility for health benefits. A designation as an dependent described in IRC §152 will result in the State of Delaware not reporting imputed income for the value of those benefits to the IRS for me. As a result, I understand the brief description of a federal income tax dependent above is a general summary, and I should contact my tax advisor before signing this form. I also understand falsely certifying to the tax-dependent status of any person may result in adverse tax consequences and potential charges of tax fraud.

To: CSD Employees

Josette Tucker, Ed.D., Senior Director of Human Resources From:

Subject: Absences

Date: June 20, 2016

This memo is to provide clarification regarding attendance procedures. Employees receive an annual entitlement of sick leave. Even though the days are loaded into the system on July 1st or at the time of hire, employees only earn one day per month if they are employed before the 15th of any given month. Three of those days can be used as personal days. Any unused sick leave will carry over to the next fiscal year. If an employee resigns, retires or is terminated before the end of the fiscal year and has used more sick leave than he or she has earned, the days owed will be deducted from their pay or if payment has been rendered, the employee will be responsible for paying the district the amount owed.

If an employee is absent for more than three consecutive days and plans to use sick leave for the absences, the employee may be required to provide a note from their physician. Employees who attempt to use sick days in conjunction with personal days may find that some of the time may be entered into the payroll system as deduct days.

If an employee knows in advance that he or she is going to be absent for five to twenty consecutive calendar days, he or she must contact their immediate supervisor and Natasha Sudler (552-2704) to complete the necessary paperwork for a leave of absence. The employee may use accrued annual leave for the leave provided there is documentation from a physician requiring the employee to be out of work for an extended period of time.

If an employee is going to be absent for more than twenty-one calendar days, the employee must apply for short-term disability if enrolled in the program. Natasha Sudler (552-2704) is the contact person for the receipt of information regarding short-term disability, family medical leave, donated leave and leave of absence information
